DRAYTON VALLEY, ALBERTA
WEDNESDAY, OCTOBER 1, 1969

Rotarian Michael Gormley is shown here describing to Sandra Guze the itinerary of her trip to Lethbridge as the Drayton Valley representative in the annual project "Something for Young Minds". Looking on are Frank Maddock High School Principal Ritchie Woods (L) and Sandra's father, Mr. Otto Guze.

Trip Overseas Program for Rotary Club Ladies' Night

The Drayton Valley Rotary Club held a ladies night on Wednesday, September 24th and viewed slides and heard a report of the Bright's recent visit to the British Isles.

A special guest for the occasion was Miss Sandra Guze, who has been selected for the annual young peoples trip to Southern Alberta as a guest of the Lethbridge Rotary Club. She was accompanied to the dinner by her father Mr. Otto Guze.

Other guests included Mayor Dr. Henry Shimbashi and Mrs. Shimbashi; High School Principal Mr. Ritchie Woods and Mrs. Woods; St. Anthony's Principal Mr. R.P. McDonald and Mrs. McDonald; Corporal R. McDowell and Mrs. McDowell; and Const. Fred Galvon and Mrs. Galvon. Mr. McDonald, Corp. McDowell and Const. Galvon all took very active parts in the Rotary-sponsored Pedal Pushers program last summer.

The slides shown by Mr. Bright had been prepared by the Drayton Valley Club for a program at the Rotary Club of Kenton-Kingsbury.

These slides together with explanatory remarks were presented at a regular luncheon meeting of the English club by JackBright. While Mr. Bright was at the Rotary Club meeting Mrs. Bright was entertained at lunch by members of the Inner Wheel, an organization of Rotary wives.

The Brights spent two days with Mr. and Mrs. Hasson who's daughter and son-in-law teach school at Seba Beach. Mr. Hasson, a past president of the Kenton-Kingsbury Club, made the first contact with the Drayton Valley Club when his daughter and son-in-law came to Seba Beach in August 1968.

The original contact has developed into a strong personal and club friendship between Drayton Valley and Hatch End Middlesex, the home of the Kenton-Kingsbury Club. The Brights report that they were overwhelmed by the welcome extended by both Mr. and Mrs. Hasson and other Rotarians and Rotary Anns of Kenton-Kingsbury.

Mr. Bright also attended Rotary Club meetings at Plymouth, Devon and Reigate, Surrey.

The Brights showed slides of their entire trip which lasted five weeks and included visits to former Drayton Valley residents now living in Plymouth, England; Glasgow, Scotland and Ballymena, Ireland. Two days were spent with the Grays in Glasgow and a visit was made to Dave and Ruth Luke who now live in Ballymena.

Several slides were shown of Janet Minchin's wedding which took place on July 31st. The Brights spent 5 days with the Minchins in Plymouth.

Builders Rush to Beat Weather

Construction presently underway in the Drayton Valley business community includes a new service station, a drug store and a 20-suite apartment building.

The new apartment building, in a downtown location near the bus depot is being built by Superior Construction Ltd. The builders hope for a December 1st occupancy date with a reasonable break from the weather.

The new building will feature deluxe accommodation with broadloom throughout. Walk-out balconies are featured and a brick exterior finish at the front of the building.

Just west of the present L.B. Motors Service Station, a new station is under construction by Lobe Holdings for the leasee L.B. Motors (1969) Ltd. Work has started on the exterior walls, after delays caused by recent heavy rains.

A December 1st opening is also planned for the new 3-bay station that will be the modern Esso type designed by Imperial Oil Limited.

Valley Drug Ltd. hopes to occupy its new store just west of the Royal Bank by November 1st. The building is now ready for interior work.

Postmaster Ends 21 Years Service

Mr. J.C. Swinnerton retired on September 23rd after 21 years as Postmaster at Entwistle.

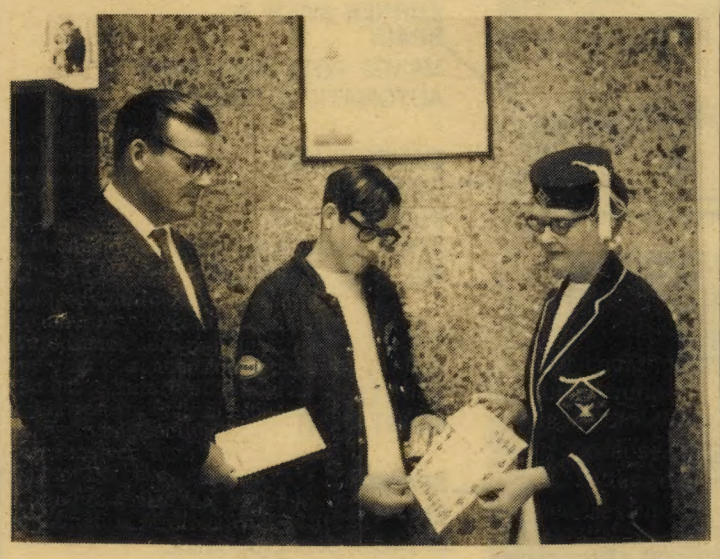
A testimonial scroll, signed by Postmaster General Eric Kierans and a letter of thanks from the Deputy Postmaster General, Mr. P.A. Faguy, were presented to Mr. Swinnerton by Mr. Jack Bright of Drayton Valley, Supervisory Postmaster for the area.

Mr. Bright made the presentation to Mr. Swinnerton during the transfer of the office to the new Post Master, Mr. J.G. Delorey.

Notice to Candidates In Town Election

In order to give candidates an opportunity to express views on the forthcoming election, space will be made available in the October 8th issue of The Western Review without charge.

Candidates who would like to offer views on community affairs should have brief, clearly written submissions in our hands by Friday of this week.



Receives Academic Awards

Brett Hammerlindl, who received an honors pass in the Grade 9 departmental exams and the highest overall marks in the Drayton Valley area, received recognition for his achievement at St. Anthony's School Monday. He was presented with a $25 cheque by Mr. Dean Meraw (L), chairman of the Separate School Board and a $25 cheque and scroll for the highest marks in mathematics in the Drayton Valley area, by the O.O.R.P., with the presentation made by Mrs. Bengtson.

COUNCIL AFFIRMS PERMIT REFUSAL

At a special meeting of Town Council last Friday afternoon it was decided to uphold earlier decision to refuse a development permit to Pembina Projects Ltd. for renovations to the post office building.

The decision was reached after considerable discussion between the town's legal representative Mr. Walder White, the mayor and four councillors present.

The legal aspects of the matter were outlined by Mr. White. He noted that if Council should reverse the earlier decision it might be possible to arrange an amicable solution but that any action by the town should be taken with knowledge of the fact that the applicant has agreed to supply the renovated building by November 1st, 1969.

He noted that there may have been some errors in the method of handling the application for the building permit. Legal action against the town is also a possibility, he advised.

Council generally was of the opinion that the refusal of the permit was justified in that renovations to the present building would not provide the standard of planning considered adequate for the area.

A motion to uphold the decision to refuse a development permit was voted on with three members in favor and one opposed. Councillors Burrows, Swendseid and Smith voted in favor with Councillor Johnson opposed.

Hunters Thick In Zone 5 Over Weekend

Hunters by the hundreds were out Saturday for the opening of Big Game Zone 5.

The roads leading to Lodgepole and Cynthia were busy on Friday with hunters moving all types of vehicles into the area. Both communities were filled to overflowing and the camp ground just north of Drayton Valley was filled early Friday evening.

Large numbers of hunting vehicles were also prominent on Drayton Valley streets Friday and Saturday.

Recent heavy rains made road conditions poor in the area and reports of hunting results are sketchy although a number of animals have come out through Drayton Valley.

COUNCIL BRIEFS

A special meeting of Town Council to dispose of urgent development matters was held in the Town Hall on Thursday, September 18th.

* * *

A request from Fountain Tire Ltd. to purchase a portion of Industrial Road to supplement a similar parcel from Lot 1, Block 8, Plan 400 K.S. was the first item considered.

The part of Industrial Road involved is between the West Valley Park Sign and Meraw and McGee Well Servicing. The land presently unusable, would give the firm more room for moving trucks off the street during tire repairs and would still leave sufficient room for the sign and a clear area to provide adequate vision for motorists approaching the corner.

Council approved and the necessary bylaw was given three readings.

* * *

Council also approved a request by Amoco Canada Ltd. to exchange Lot 17A, Block 37 for Lot 3, Block 44. Lot 17A is unsuitable for a residence because its unusual shape makes it difficult to accommodate a conventional house.

* * *

The subject of facilities for the Drayton Valley Teen Club was introduced and council members present expressed interest in helping the club in finding a location where a juke-box and coke machine could be installed to serve as a teen meeting place. The Council is investigating the possibility of obtaining such facility for the club.

Rebels Prepare For New Season

The Drayton Valley Rebels hockey club is now working out at the Frank Maddock High School on Monday and Wednesday nights at 8:00 p.m. It is planned to open camp around October 20th is ice is available.

Players of Intermediate B or C calibre are invited to attend or contact Harold Reinhart or Ken Machan.

New Musical Opens With Alberta Tour

With the distinctive comedy talents of Wes Stefan at the helm The Jubilaires opened its fall production of Stop The World I Want To Get Off in Cardston Saturday night.

The livewire university group also will present the musical in Athabasca on October 4th, Drayton Valley on October 10th and at Olds on October 11th before opening in Edmonton October 17th.

The show will run October 18th, 23rd, 24th and 25th at the Students Union Theatre in Edmonton.

Stefan, who directed last year's How To Succeed In Business Without Really Trying for the group, has cast Conrad Boyce, Kerry Hughes, Janey Craig and Audrey Melenchuk in the leading roles. Orest Semchuk is choreographer and Mike Klazek musical director.

Bird Seasons Now Closed

The pheasant and Hungarian Partridge hunting seasons have been closed throughout the Province of Alberta. The Fish and Wildlife Division advises all hunters that the Hungarian Partridge seasons previously open in Upland Bird Zones 1, 2 and 5 are now cancelled.

Seasons on both birds are now scheduled to open November 1st provided samples currently being analyzed are not found to be carrying high levels of mercury.

Other species of wildlife do not appear to be carrying dangerous levels of mercury and therefore the Grouse and Waterfowl seasons remain as originally scheduled.

SUB-MITS

FROM THE ELEMENTARY SCHOOL

Dear folks:

Our teacher of the week is Mr. Allan Baker. Mr. Baker is from a neighboring district. He grew up on a farm near Entwistle with five brothers and two sisters. He attended school for nine years in Entwistle and took his High School in Seba Beach and Evansburg. Then in preparation for a teaching career, he attended the University of Alberta in Edmonton. It was while at University that he met his wife, who is also on our staff.

He taught grade five in the Junior High, specializing in Phys. Ed. At present he is teaching grade five and holds the position of Vice Principal. Sports occupy much of his spare time. In our community he has coached hockey, basketball and baseball. The Bakers also enjoy a weekly session at the bowling alley.

Many publications come to the school. Most of them are of interest only to teachers but occasionally there is something that parents enjoy. The following may be of interest to you. It had no author given but came in a publication from the Department of Education. It needs no title as it is self-explanatory.

"Dear Kid:

Today you asked me for a job. From the look of your shoulders as you walked out, I suspect you've been turned down before, and maybe you believe by now that kids out of high school can't find work.

But, I hired a teenager today. You saw him. He was the one with polished shoes and a necktie. What was so special about him? Not experience, neither of you had any. It was his attitude that put him on the payroll instead of you. Attitude son, A-T-T-I-T-U-D-E. He wanted that job badly enough to shuck the leather jacket, get a haircut, and look in the phone book to find out what this company makes. He did his best to impress me. That's where he edged you out.

You see, Kid, people who hire aren't "with" a lot of things. We know more about Bing than Ringo, and we have some Stone-Age ideas about who owes whom a living. Maybe that makes us prehistoric, but there's nothing wrong with the checks we sign, and if you want one you'd better tune to our wave length.

Ever here of "epathy"? It's the trick of seeing the other fellow's side of things. I couldn't have cared less that you're behind in your car payments. What I needed was someone who'll go out of the plant, keep his eyes open, and work for me like he'd work for himself. If you even have the vaguest idea of what I'm trying to say, let it show the next time you ask for a job. You'll be head and shoulders over the rest.

Look Kid. The only time jobs grew on trees was while most of the manpower was wearing G.I.'s and pulling K.P. For all the rest of history you've had to get a job like you get a girl: "Case" the situation, wear a clean shirt, and try to appear reasonably willing.

Maybe jobs aren't plentiful right now, but a lot of us can remember when master craftsmen walked the streets. By comparison you don't know the meaning of "scarce".

You may not believe it, but all around you employers are looking for young men smart enough to go after a job in the old-fashioned way. When they find one, they can't wait to unload some of their worries on him.

For both of our sakes, get eager, will you?"

Joke of the Week: Said one little girl in grade three, when her kitten was found in her desk. "But Mrs. Katyal, my kitty is toilet trained to use a flush toilet. Please let me keep it in school."

Sincerely,
Olga Brown.

Safety Program Now Underway

Mr. Ralph Couper, President of the Alberta Safety Council, has announced that 322 service stations and more than 650 volunteers are taking part in the first "Are You Putting Your Safety Belts On?" campaign, that started officially on Monday, September 29th.

A survey of safety belt usage, which forms the backbone of the educational campaign, is being held each Saturday during the four week project. The first survey was to take place September 27th without prior announcement.

EDITORIAL COMMENT

Are You Concerned?

A number of persons have commented on the current post office wrangle and we wonder how many more residents of the community are concerned that Drayton Valley should have postal accommodations less prestigious than those of many communities of considerably less size.

This community is apparently expected to accept gratefully another ten years of the present building which has already been criticized by Town Council and the Development Board as poorly located from a traffic point of view under today's conditions. With continuing growth, what will the situation be ten years from now?

There appears to be something wrong with planning that has built modern structures in little whistle-stops and doesn't extend the same privilege to a modern community that has shown its progressive attitude and positive growth pattern.

We're aware that the answer will be that local people were offered the opportunity to bid on lease accommodation for the post office. However, we fail to see why Drayton Valley should be subjected to the lease-build program by a government suddenly grown tight-fisted after years of spending in other towns. It's unfortunate that our need became apparent after the tightening of money but it doesn't make it any easier to swallow.

Town Council, the Chamber of Commerce and community leaders are concerned about Drayton Valley's future and what a modern federal building would have meant to the town.

Are you?

If so (though it may not make any difference to the final outcome) you could write to M.P. Allen Sulatycky and the Prime Minister and let them know how you feel. If they receive enough letters they will at least know that the voters are thinking and concerned in this area.

LETTERS TO THE EDITOR

Editor,
The Western Review.

Dear Sir:

We wish to express our sincere thanks for the extensive coverage of the Youth Employment Service program in The Western Review during the past summer. The program got off to a very successful start this year and we feel that much of this success was due to your support in the promotion and advertising of our program.

Through the Youth Employment Service program many young people were able to obtain part time employment during the summer months. People from all walks of life from towns and villages throughout the County of Parkland furnished employment for those young people in many and varied ways in response to the Y.E.S. program.

This year we got off to an excellent beginning with this very important program and we look forward to bigger and better things next summer. With continued support and assistance from people such as yourself the Y.E.S. program will grow and expand continually meeting a great need among our young people.

Once again, sincere thanks for all that you have done for us and we look forward to your continued support and assistance in the future.

Pat Coppens,
Co-ordinator
Youth Employment Service
Drayton Valley Recreation Office.

Dear Sir:

On behalf of the Air Cadet Officers, the Air Cadets and the Civilian Committee, I would like to thank Frank Andrews for the use of his Gulf Service Station for the car wash that was so successful last Saturday, September 27th.

Also I would like to thank Mrs. Andrews for the help she gave and the air cadets who worked Saturday washing cars.

And a special thank you to Bruce Cable and Jim Mussel for the work they did organizing the Cadets all day.

Dale Gaehring,
Chairman, Civilian Committee,
Drayton Valley Air Cadet Squadron # 733.

OPEN LETTER TO
NEPTUNE SWIMMERS

I would like to congratulate all the swimmers and coaches of Neptune.

The results of this year's swim meets have proven that you can do it! Excellent! And, I am most grateful to hear that scores of parents are truly cooperating to see that Neptune Swim Club become a joint effort.

I am sorry that, due to circumstances, I was not able to come to any of the meets, but I was kept up to date by Al McKillop. Thanks Al and Peggy.

Next year I hope to be able to see how you really perform and I am looking forward to it.

Last but not least I wish to thank all the boys and girls for the marvelous desk set which I received. In fact it has been in use for some time now. Thank you very much! It shall be on my desk for a long time.

In closing I also wish to thank all the sponsors which have assisted me in the financial part with Neptune over the years. Your contributions have played a big role in the present success of the swim club. Neptune runs one of the best meets in Alberta and certainly has the best after-meet wiener roast!!.

Fred H. de Geest.

Couple Report From Columbia

Mr. and Mrs. Dick Reisterer have reported a safe move to their new home in Bogota, Columbia.

They left here last week and in a letter from the Hotel Tequendama extended their thanks to everyone in Drayton Valley for kindnesses extended to them prior to departure.

Bogota is a huge city, they write, spreading over many miles with a year-round temperature in the neighborhood of 57 degrees. They add that they haven't been there long enough to form opinions, but are sure they'll be happy in their

COUNTY OF PARKLAND No. 31

NOTICE OF INTENTION TO LEASE PORTIONS OF HIGHWAY, AS HEREINAFTER DESCRIBED

PURSUANT to the authority of County Council and as provided in the Municipal Government Act, NOTICE IS HEREBY GIVEN of the intention of Council to pass a Bylaw to close:

All that portion of highway in the County of Parkland No. 31 in the Province of Alberta of record in the Land Titles Office for the North Alberta Land Registration District described as follows:

All that portion of the original road allowance between the NW 29 & NE 30-52-2-5 and between the SE 31 & SW 32-52-2-5

Reserving thereout all Mines and Minerals.

Plans showing the location of the said highway may be inspected and information obtained in the County of Parkland Office, during the regular office hours, Monday to Friday, inclusive until 5:00 o'clock p.m. Friday, 24th day of October, A.D. 1969.

Any person who claims that his land will be injuriously affected by the passing of the said Bylaw and petitions to be heard, is requested to file his claim with the Secretary-Treasurer, County of Parkland No. 31, Stony Plain, by not later than 5:00 o'clock p.m. on Friday, 24th day of October, 1969.

NOTES From The **Lions Den**

JIM STREIT

Lion Jim Streit was born and raised in the Stettler district where he farmed until 1956. He then moved to the Drayton Valley area where he joined Pembina Pipe Line Ltd., with whom he has worked ever since, at Buck Creek, Lodgepole and then Drayton Valley.

He joined the Drayton Valley Lions Club in 1967 and is an active member serving on the Board of Directors for this year and also as Chairman of the Ways and Means Committee. This is a major responsibility as it entails all of the fund raising activities of the club.

The first project is a $1000 bingo to be held on Thursday, October 2nd in the Centennial Civic Centre.

Lion Jim and his wife, Ethel, have two daughters, Brenda and Valerie. The girls are extremely active members of the Neptune Swimming Club of which Jim is Vice-President for the coming year.

Lion Jim is also an enthusiastic curler and has been active in the Drayton Valley Curling Club for many years.

Council Seeks Bottle Control

The Drayton Valley Town Council has added its voice to the growing opposition to the litter problem of non-returnable bottles.

The Council has submitted a resolution to the Alberta Urban Municipal Association requesting legislation by the Provincial Government to more effectively control the disposal of bottles.

The resolution asks that a ban be placed on the use of glass bottles for drinks and whatever bottles remain in use be subject to a reasonably high deposit to ensure their return.

Summary Regular Meeting Of Parkland Council

Minutes of regular meeting of the Council of the County of Parkland No. 31 held in the County Office at Stony Plain on Monday, September 22nd.

Members present were Reeve Rudolph Zander, Deputy-Reeve Leslie N. Miller, Councillors Peter Bakker, Roy Lent, George Mann and Ivan Vowk.

Request for removal of drainage obstruction at Lot 9, Block 2, Plan 6053H.W., South Seba Beach was received from Mr. Douglas Kermode of Edmonton. Councillor Mann reported having inspected this site and having discussed this matter with Mr. Kermode. It was agreed that Reeve Zander and Councillor Mann make a joint inspection and recommend what action should be taken.

Request for construction of the road between 27 and 28, 33-& 34-51-6-5 and the SW3 & SE4-52-6-5-. Public works committee to inspect. It was agreed that this matter be dropped from the Public Works agenda until the spring of 1970.

Request for relocation of the approach to the S½ SE 5-53-1-5 received from Mr. Robert Christensen of Stony Plain. Councillor Bakker reported having made inspection and recommended that relocation of the approach be allowed provided that the owner does it as his own expense. Report and recommendation accepted.

REQUEST FOR STREET LIGHTS

Written report requesting street lights in Normandeau Gardens Subdivision, Winterburn, submitted by Councillor Miller was read to the Council. The report revealed that 16 street lights would be sufficient and recommended that Calgary Power Ltd. be asked to survey the proposal and if satisfactory that they be installed. Report and recommendation accepted.

SUNDAY MOVIES

A By-law authorizing the showing of moving pictures on Sundays, in Drive-In Theatres, in the County pursuant to the provisions of the Lord's Day Act received third reading on motion of Councillor Miller and finally passed by majority consent of the Councillor's present. Councillor Bakker opposed third reading as well as first and second readings.

Request for approval of proposed subdivision in the SE 34-51-26-4 received from Weber Bros. Realty of Edmonton was approved.

Statement of impounding of one Hereford bull in the pound kept by Mr. Steve Wasylyshyn on the SW 9-53-2-5 was read to the Council. The following fees and damages were levied against the animal. For capturing an entire animal $5.00; Transporting the animal to the pound $2.00; Damage claim for breeding one purebred heifer $100; Poundkeepers fees $15.50; Total $122.50.

Both the impounder and owner of the bull deposited the $100 investigation fee. It was agreed that the damage claim not be allowed, that other fees be dispersed and the investigation fees refunded.

APPOINTMENT OF POUNDKEEPER

It was agreed that Mr. Ted Harris of Drayton Valley be appointed as Poundkeeper and the Pound be established on the SW 13-49-8-5.

Letter dated September 16th from the Village of Spruce Grove was read to the Council requesting comments concerning an application by the Village to annex the W½ 33-52-27-4. It was agreed to request the Village to submit a revised application as the lands described to be annexed appear to be in error.

Request for an access road to the SE 32-50-4-5 was received

BERRYMOOR NEWS

Mr. and Mrs. W. Joneson and family from Wainwright spent the weekend of September 20th in the district. On Saturday they visited with Mrs. Ruth Berry who is now living in Drayton Valley.

Chris, Roy and Allen Thorsen of Innisfail spent the weekend at Berrymoor at the home of their older brothers Brian and Dwayne.

Pat Gavigan who has returned from a trip overseas spent a short time in the district before returning to his home in B.C.

Mr. Ralph Thatcher has motored to Parksville, B.C. to visit with Mr. and Mrs. Ronald Thatcher and family.

The old timers annual gathering at the Carnwood Community Centre on the evening of September 24th was quite well attended despite the rain and muddy roads. Among those in attendance were Mr. and Mrs. George Martin and Mr. and Mrs. E. Fewster of Berrymoor. Also Mrs. Hattie Barrett of Breton who was a Berrymoor resident for many years.

Mrs. Florence Johnston has gone on a trip to B.C. with Mr. and Mrs. Clifford Johnston and family.

A number of our local residents have donned their red coats and hats and are off to take advantage of the fact that a big game hunting area west of Drayton Valley opened Saturday, September 27th.

Congratulations to Mr. Bill Gilchrist of Berrymoor and Miss Rose Reynolds of Bluffton who were married on Saturday, September 27th. An open wedding dance was held in their honor in the Hoadley Hall.

Miss Joan Piscke stayed overnight with her cousin Miss Marilyn Van Ember during this past week.

MARK OF EXCELLENCE

From Buick for 1970 The GS. The GS 455. The Skylark Custom Sport Coupe. Automobiles to really light your fire.

Sweeping, sporty lines. Glistening, powerful looks. And plenty of performance.

All these Buicks simply drip with luxury. Carpeting front and rear. Rich, lush fabrics and vinyls. Instrument panels a spaceship would be proud of.

Altogether lots of features to excite you.

Perhaps though, you'd prefer one of the full-size Buicks, typified by the superb new Electra 225 shown above.

It has an improved three-speed automatic transmission. A new cooling system that should never overheat. A new radio antenna hidden in the windshield. A new, more powerful engine.

Here's the same kind of traditional Buick quality you'll find in all 1970 Buicks. In Wildcat. Le Sabre. Riviera.

It's this quality that's made the Buick name mean so much. We want to be something you can believe in. And we hope we always will be.

Request for payment of $5 to cover transfer costs of Lots 7 to 10, Block 33, Plan 2256K.S., Drayton Valley was received from Town of Drayton Valley and approved.

REQUEST FOR RECREATIONAL FACILITIES

Letter dated September 9th from the secretary of the Tomahawk and District Club was read to the Council regarding provisions of recreational facilities in Tomahawk.

It was agreed that this matter be referred to the Regional recreation Council.

Request for opening of the railroad crossing west of the NW 7-53-4-5 received from Edmonton District Boy Scouts Association. It was agreed that an on-site inspection of this request be made by members of the Council along with representatives of the Boy Scouts Association.

A By-law providing for the closing and leasing of the road allowance adjacent to the east side of the NW 30 & SE 31-52-2-5 received first reading on motion of Councillor Lent and second reading on motion of Councillor Miller.

It was agreed that Constable Anthony Osborne be appointed as a Fire Guardian for this County.

Request for cancellation of a portion of road diversion in the SW 14-53-5-5 was received from Mr. Robert R. McCulloch of Fallis. Referred to Reeve Zander and Councillor Mann for inspection.

Request for improvements to the Recreation Office Building and notifaction regarding a "workshop to probe community services" was received from Mr. C.A. Armstrong, Assistant Recreation Superintendent. Referred to the next School Committee meeting.

Messrs. Eric Attwood and M. Spooner of Alberta Government Telephones were present at the meeting in connection with buried cable installation programs.

Request for construction of roads around section 14-51-26-4 was received from Mr. David Ball of Deroche, B.C. It was agreed to advise Mr. Ball that construction of these roads will be carried out when funds are available.

Request for cancellation of road plan 5129C.L. in the NE 19-51-25-4. Not approved as this diversion may be required by the County in the future.

Mr. Gerald Repecka, Development Control Officer was present at the meeting and discussed with the Council certain proposed developments and subdivisions.

PUBLIC WORKS

Public Works to be undertaken were approved as follows: Regravel and regrade W/NW 19-53-5-5 and S/25-53-6-5 $1,500; Grade S/15 & 16-53-6-5 $8,000; Regravel & Oil through NE 8, S/SE 17, S/SW 16 & thru NE 16-52-25-4 $5,250; Regravel W/NW 8, S/SW17 & S/NE 18-51-25-4 $800; Regravel W/NW 20-53-2-5, thru 25-53-4-5, W/NW 26-53-3-5, thru 6 & W/8, 17, 20, 29, 32 and S/18-51-3-5 $6,000; Gravel & Oil Hamlet of Wabamun $3,500; Regravel W/8-52-25-4, thru 30-51-25-4 and W/20, 29 & 32-51-27-4 $4,500. Total $29,550.

Mr. Marcel Burassa of R.R.5, Edmonton was present at the meeting and requested permission to place a mobile home on a 10 acre parcel in the NE 33-52-25-4. It was agreed to grant this request to April 30th, 1970.

Messrs. Gordon and Raymond Scheideman of Stony Plain were present at the meeting and enquired about purchasing that portion of the SE 9-52-2-5 lying south of the road diversion. They were advised that this land belongs to the Canadian Pacific Railway Co. along with the balance of the quarter.

District Couple Wed In Edmonton Ceremony

St. John's Ukrainian Orthodox Cathedral in Edmonton was the scene of a lovely summer wedding when Sharon Jane Reich, eldest daughter of Mr. and Mrs. August Reich of Magnolia became the bride of Andy Henry Onyschuk, son of Mr. and Mrs. Sam Onyschuk of Highvale. The double ring ceremony was performed by Rev. Stucz on August 16th, 1969 at 1:00 p.m. The church was tastefully decorated with white mums and pink roses.

The bride was escorted to the alter by her father, August Reich.

In her full-length white peau-de-soie gown which featured a bodice adorned with pearls and glass beads, a high neck, three-quarter length sleeves and a long flower embroidered train, the bride looked beautiful. A cluster of white flowers held her shoulder length veil in place.

The bridal bouquet was fashioned of live pink sweetheart roses surrounding white gladiolus. Her only jewellery was pearl earrings, a gift of the groom.

The bride was preceded down the aisle by three bridesmaids. The first bridesmaid was her sister, Judy Reich. Second bridesmaid was Lily Sawchuk, a friend, and the third was another sister, Linda Reich. Their dresses were fashioned with pink brocade bodices and pink peau de shan shirts. The backs of the dresses featured a large bow with ribbons reaching the skirt hem. In their hair, tiny live white gladiolus were tucked into the curls. Their bouquets were of live glads tipped in pink. Pearl necklaces, gifts of the bride, were worn by all three.

The groom, Andy Onyschuk and his three groomsmen, Bill Onyschuk, Edward Alexandrowich and Kenneth Bradach looked very smart in their dark suits accented with white carnation boutonnieres. The ushers were Orent Wirstiuk and Brad Thompson.

The bride's mother wore a light green fortrel dress with matching coat, white accessories and a corsage of deep pink sweetheart roses.

The groom's mother chose a two piece suit of light pink polyester, with white accessories and a corsage of deep pink sweetheart roses.

The wedding reception for 300 guests was held at Jack-Pine Hall.

The head table was decorated with white mums, pink roses and pink streamers draped on the table front.

The three-tiered wedding cake was decorated in white and topped by a decoration consisting of doves on top of bells holding rings, pink roses in bells and white streamers dotted with pink roses gently falling to drape the cake. On either side of the cake were pink candles and white roses.

Following the reception, a wedding dance was held with music by Hank Arkins of Edmonton.

For the Sunday celebration, the bride changed to her going-away outfit of an off-white two-piece suit with black accessories. The happy couple spent a honeymoon in the United States and B.C. They will reside in Edmonton.

Mr. Steve Krawchuk acted as master of ceremonies. Mr. Rod-Rudolph Reich proposed a toast to the bride to which the groom responded. Mr. Krawchuk asked the blessing.

The next day at the home of the bride's parents, family and friends gathered for the traditional gift opening. A beautiful dinner was served to everyone.

MAGNOLIA NEWS

Mr. Bert Stanglin, a former resident of the community, paid a brief call at the J.J. Balfour home on Saturday, September 13th.

There will be rejoicing at the L. Saretsky home very soon when Mrs. Saretsky is able to come home. They hope the happy event will take place this week.

Bob and Kathy Saretsky, with their son, are presently living at his parent's home.

Miss Irene Saretsky is living in Stony Plain where she is attending high school.

Bud and Barbara Storms with their son Patrick, and daughter Barbara Ann, visited in this community over the weekend.

Gary and Joan Morton with their daughters have moved to Provost. The Mortons have made their home in Manning for the past several years. On their way south, they spent some time with Joan's parents Mr. and Mrs. Ray Storms.

Leonard McWillis of Gunn visited for the weekend with Orris and Dorothy McWillis.

The Community Club held a raffle recently to raise money for the general fund. The lucky winner was Mr. C. Monsma of Edson.

Recreation Board Reviews Events of Past Summer

The regular monthly meeting of the Drayton Valley Recreation Board was held on Monday, September 8th at 8:00 p.m. in the Recreation Office. Present were Chairman, Joe Balen, Russ Simpson, W.W. Rose, Reg Samis, Nick Urchyshyn and Mike Gormley.

The matter of installation of bleachers at the Drayton Valley swimming pool was tabled until next spring.

In respect to the Summer Figure Skating School held at the Centennial Civic Centre this summer, a general report was given on the operation of this school. The school itself was a great success, very well managed and very well run. Financially, some deficit will be encountered by the Drayton Valley Summer Skating School.

The Drayton Valley Figure Skating Club and the School Director and Chief Instructor, Harry Nevard have expressed interest in operating another such skating school next year. The whole setup of the summer school was reviewed and commented upon with dissatisfaction expressed on only one phase of the operation, that being the janitorial service at the Civic Centre during the summer months.

There was some discussion on the operation of the Drayton Valley Tennis Club and their request earlier in the season for financial assistance. It was generally felt by the meeting that this organization had a very good year with a very high attendance and from this, with proper management, the club should be self supporting.

The Drayton Valley Hockey School was reported as being very successful in every aspect and proved to be very satisfactory for all concerned.

The Director reported on the operation of the Drayton Valley Swimming Pool which recently closed for the season. The total attendance for this 1969 season was 52,867 during 106 days of operation for an average daily attendance of 505 persons at the pool. The pool closed on Friday, September 5th at 4:00 p.m. instead of the original scheduled date of September 7th, due to mechanical problems encountered in the filtering plant.

In general, a very satisfactory swimming program was presented this year. The Red Cross Instruction Program was very successful. A total of 603 persons were enrolled in the program, 368 were examined and 338 passed. In the County of Parkland instruction program 90 candidates were enrolled, 54 were illegible for examination and 46 passed. Lifeguard training was also carried on during the season through an extensive Royal Life Saving Society program.

The work of the pool personnel in general was reported as satisfactory, however, a few positions will be open for another season. The work of Linda McMorris as Pool Supervisor was reported as very efficient and a strong recommendation was made on her behalf.

A report was also given on the Neptune Competitive Swimming Club and its very successful season which took them to the Regional and Provincial finals. A complete financial report on the pool operation for 1969 will be available for the October meeting of the Board.

The Playground program was reported as being completed for the season and was termed a success.

It was reported that the schools were interested in the use of the major Recreational facilities in the community such as the swimming pool and the Civic Centre for the purpose of carrying out their Physical Education program. The matter was discussed and it was felt that this use of community facilities during school hours would be a very good thing providing a satisfactory financial agreement can be reached between the Town of Drayton Valley and the County of Parkland School Board in this matter.

The opening of the Centennial Civic Centre for the winter season was discussed. It was felt by the Board that ice making should start on Thursday, October 16th and that the rink should be open as soon afterward as the ice can be made ready.

It was reported that the people interested in the promotion of ballet and tap dancing wanted to use the Civic Centre again during the coming season. The Board approved of this on the same basis as last year but no special concessions are to be granted to the group.

The use of the Civic Centre by Tomahawk hockey teams was discussed. After reviewing the matter carefully it was the recommendation of the Recreation Board that the Tomahawk group be allowed to enter one team in the Bantam Community Leagues on the same basis as last year, that Tomahawk entries be limited to those two teams and with the stipulation that a grant toward the maintenance of the Civic Centre be made to the Town of Drayton Valley by the County of Parkland on behalf of the Tomahawk program operated in Drayton Valley.

The Provincial Grant structure was briefly reviewed by the Board. The Board agreed that they would start an investigation on the use of the Capital Grant which is available for some Recreation project in this community prior to 1972. This matter will be discussed at the October regular meeting.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending September 25, 1969 provided by the Livestock Division, Canada Department of Agriculture.

	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week (est.)	7300	4850	2450	2350	1650
Last Week	7990	5210	2780	1204	184
Same Week (1968)	10305	6533	3772	1530	1833

SUMMARY

Receipts were down again this week largely due to the continued price pressure on slaughter classes. Harvesting is continuing in this area and was a further cause for the decline in receipts. Replacement cattle and calves made up the bulk of sales although a fair volume of feedlot cattle and butcher cows were represented. The slaughter market was uneven. Trading was relatively slow on steers, heifers and calves but active on cows and bulls. Steers and heifers 25 to 50 lower. Cows 50 higher. Bulls 1.00 to 1.25 higher. Veal calves 1.00 to 2.00 lower. Replacement steers, heifers, and stock calves steady to 1.00 lower.

Slaughter Cattle & Calves -- slaughter steers opened steady and continued to sell barely steady throughout the week. The closing trade saw steers selling at a practical top of 26.25 down 25 to 50¢ from last week. Heifers were scarce throughout the week, with prices following a similar trend. In closing trade choice heifers were selling at a practical top of 24.60 with light weights selling up to 25. Butcher cows were fairly plentiful. Cows opened 50¢ higher, declined at midweek but regained the loss to close 50¢ higher. Good bologna bulls 1.00 to 1.25 higher with sales to 24.30.

Replacements -- The heavier weight replacement steers and heifers sold barely steady to somewhat lower, in line with the slaughter classes. Good 900-1000 lb. feeder steers sold mostly in the 27-29 range. Stock steer calves sold about steady. Although buyers appeared more selective, good light weight calves continued to sell to 45. Stock heifer calves sold up to 34 in closing trade down about 1.00 from last week.

Shipments: Last week's shipments off the Edmonton Stockyards: East 174 feeders and 480 for slaughter: West 417 for slaughter; to Southern Alberta 1062 feeders.

(CLOSING PRICES)

SLAUGHTER CATTLE

Weaners and light feeders sold by the head from 15 to 34.75 34.75 each.

SHEEP & LAMBS

Good to choice butcher lambs sold from 23 to 24.90 cwt. at the special lamb sale September 19th. This weeks sales were mostlt 23.00 to 23.50 cwt. Feeder lambs sold from 22 to 29 cwt.

BURTONSVILLE NEWS

We were sorry to hear that Kay Hansen of Warburg was in a car accident and spent some time in an Edmonton hospital. We hope you are feeling much better Kay and will soon be as good as new.

Visitors at the home of Mr. and Mrs. A. Homme on Sunday were Eldon and Marge Greanya and their two children and Mary and David Tattersall.

On Tuesday, Cecil Homme visited his parents for a short time.

Bernice Osbak visited the doctor in Edmonton on Tuesday and visited her sister Norma at the Royal Alex Hospital.

Zoltan and Norma Petriko of Edmonton are proud parents of a new baby girl born September 21st, Susan Katheryn, 7 lbs. A sister for Jimmie and Michael. The two boys are staying with their auntie Lily Wheadon and family at Whitecourt for a week or so.

Bob Homme of Stony Plain is working for A.G.T. at Calgary.

Some folks have been quite ill with the flu in this area.

Most neighbors have been busy taking in gardens which seem to be plentiful, especially potatoes.

Dick and Lily Wheadon and children of Whitecourt visited Lily's brother Lewis Homme and family of Stony Plain on Sunday afternoon.

They were also introduced to Allan and Karen Brenenstuhl's little daughter, Patricia Lynne, born August 12th.

Car Wash Success

The Air Cadets car wash held at the Gulf Service Station last Saturday proved a real success and the Cadets raised close to $150. The money will go into a recreation fund for the Cadet Corps use.

NEW DATSUN 1600
at D. V. DATSUN LTD.

is probably the safest economy car you can buy

three for the road

The Datsun 1600 changed a lot of people's ideas about economy cars. It proved that a compact-sized, low-cost car can look good, give five hefty Canadians a quiet and comfortable ride, handle and perform like high-priced imports—yet still be economical to run and low on maintenance. Now you have a choice of three Datsun 1600s: the sporty new 2-door, a deluxe 4-door and deluxe family wagon.

engineered for safety

Datsun 1600 is probably the safest economy car you can own. To start with, Datsun has a specially designed impact-absorbing body to protect passengers inside the car. And the Datsun 1600 sedans have a remarkable all-independent suspension system that makes the car amazingly nimble, easy to handle and gives a smooth, level ride over the roughest Canadian roads.

Disc brakes up front, now with the double protection of twin master cylinders, stop you sure and straight. Other standard safety equipment: a life saving collapsible steering column, headrests, belt/shoulder harnesses, 4 headlights, heavily padded dash and interior fittings.

96 hp, 100 mph, 30 - 35 mpg

Datsun's got safety and performance.

In its price class, only Datsun 1600 gives you a high-performance 1600 cc overhead cam engine that's good for 96 HP and 100 MPH. It means great pick up and all-day cruising at 70 MPH. And all the time you'll get 30-35 miles per gallon.

Go for the butter-smooth 4-on-the-floor with stick or the 3-speed Borg-Warner automatic—either way you've got a lot of fun-driving ahead of you!

quiet and comfortable

The Datsun 1600 has "windows up" ventilation. Fresh air streams in through adjustable ventilators on the dash, circulates, and stale air is automatically extracted through rear vents. The instant-acting heater/defroster keeps you warm and your windows clear through the coldest Canadian winters.

There are more than 150 Datsun dealers coast-to-coast in Canada and $1,000,000 in parts to back you.

from $1845

Recreation Round-Up

A BUSY SUMMER

We had a very busy summer in our Recreation Department in 1969. Schedules were jam-packed at the Centennial Civic Centre, the Swimming Pool and the Tennis Courts to mention only the chief theatres of action during the past four months.

THE CENTENNIAL CIVIC CENTRE

Closed during the second week of April after a tremendous winter season. Opened again around June 27th for the summer program. Figure Skating School lasted eight weeks, June 30th to August 24th. School very well attended by both local and out of town candidates, well organized, expertly directed, instruction of very high calibre and the school proved to be a success in every respect - latest reports - little or no financial deficit on the part of the Drayton Valley Summer Skating School.

The Drayton Valley Summer Hockey Camp took over the premises on August 25th and held way until September 1st. The Camp was a great success attended by 114 boys of which some 78 were local candidates. Instructors, Clare Drake and U of A Golden Bear staff - a big boost for the game of hockey in Drayton Valley. Civic Centre closed September 2nd and will re-open for winter program around October 20th.

D.V. SWIMMING POOL

Just a great season - broke every record in the book - total seasonal attendance; 52,867 for an average of 505 swimmers for each day of operation. Pool opened late in May and closed September 5th. General swimming program rated as very satisfactory, excellent results in Canadian Red Cross Swimming Instruction of which 693 were enrolled. 422 of these were examined and 384 obtained Red Cross Swimming Awards. The pool was open daily from 6:30 a.m. to 10:00 p.m. and was a great year for Early Bird Swimming.

It was also Neptune's year, the local competitive swimming club went like a house on fire closing out a great season with spectacular showings in the Regional and Provincial meets. All included, the ideal season.

TENNIS COURTS

If the Civic Centre and the Swimming Pool were busy facilities, another in the same category was the local tennis courts. People were out at 5 a.m. for a game of tennis and many evenings at 10 p.m. there was still plenty of activity on the courts - by far, the best tennis season to date.

WEST VALLEY RECREATION PARK

Not a crowded schedule here like the forementioned facilities, but still plenty going on with baseball at all levels from early May until late August. (The Bantam team, coached by Lawrence Duperron and Fred Duckett won the County of Parkland League championship). The weather hurt the local Little Canadian baseball program and was also detrimental to the spring operation of the Oilfield Minor Baseball League. The girls had a fine softball season.

The big event of the season in the park was the first Evergreen Rodeo, August 15th and 16th. A good success despite inclement weather -- the completion of the rodeo grounds (one of the finest anywhere) by the D.V. Lions Club -- another excellent facility in the overall development of the West Valley Park. A number of gymkhana meets were held throughout the summer and the picnic area of the park was well attended especially on weekends.

ROTARY COMMUNITY PARK - continued to be the meeting place of the little people. The playground program was very successful in this, it's first year of operation.

THE GOLF COURSE -- like the tennis courts left little time or space to spare.

Now the busy summer has fled all too soon and all the boys and girls are back in school and the recreation program is changing with soccer and Canadian Football the outstanding athletic activities of the moment along with a full slate in school schedule. The cultural programs are being initiated for the winter months - ceramics will be an outstanding activity again this year and the art club will be meeting regularly once more. Registrations have been taken for the winter Figure Skating program and before we know it we will be into our winter program and the Centennial Civic Centre will be a bee hive of activity again. A big winter program ahead.

The large concrete pad in front of the new home of the Gene Rendflesh family proved too much temptation for practical jokers over a recent weekend. With careful attention to detail a set of imitation gas pumps were constructed of cardboard, painted and set up on the driveway. The surprised Rendflesh family arrived home Sunday to be welcomed by the "service station" on their driveway.

CNIB Canvass

The Kinette Club of Evansburg will be canvassing on behalf of The Canadian Institute for the Blind in mid-October.

ST. ANTHONY'S NOTES

By Susan Pezzot

On September 18th, St. Anthony's School held a Frosh Day to initiate the Grade Sevens into Junior High.

Boys garb included a diaper over their jeans, an old pair of their mother's high heels, and a baby bonnet or a soother. Girls came attired in their father's shoes, long johns, and either a soother or a baby bonnet.

All frosh wore a sign, one foot square, saying "I am a frost". Whenever a grade seven student met his or her superior, a grade nine student, the frosh would have to kneel and say, "Oh great and mighty master, have mercy on me, a lowly scum of a frosh". This created a very lively scene and the halls were full of hustle, bustle and confusion.

Classes resumed at 9:00 a.m. with Frosh Day ceremonies occurring only during the two minute breaks and noon-hour. In the afternoon there were two short half-hour periods instead of the usual three longer and Kangaroo Court from 2:00 to 2:40 punished all the unfortunate frost offenders. At 2:40 the gym lights were partially turned off and a sock hop was under-way. Food was sold during the sock hop and noon-hour. The days proceedings ended at 3:14, allowing the 'frosh' to return home in peace.

Summary of Regular Meeting Regional Recreation Council

Minutes of a regular meeting of the Parkland Regional Recreation Council, held on September 15th in the recreation centre in Stony Plain.

Members present were Mr. L. Miller, Mr. R. Bailey, Mr. I. Vowk, Mr. G. Mann, Mr. D. Gylander, Mr. K. Howery, Mr. H. Hennig. Also present was Mr. R. Akins, Committee member. Staff members present were Mr. C. Armstrong, Mrs. L. Holgersen, Mrs. J. Cross and Mrs. M. Ivan.

RECOMMENDATIONS FROM REPORT

Recommendations from the Superintendent's report of August 28th were read to Council.

It was moved that a letter be sent from the Council to the Premier and the Minister of Youth and to Mr. Jespersen, M.L.A., stating the Council's support for the continuation of the Department of Youth's office in the Parkland Region.

It was moved and carried that any new authority entering the Recreation Agreement prior to the end of June be assessed for the full year, and that new authorities signing the Agreement after July 1st in any year shall begin to contribute January 1st of the following year.

Other recommendations contained in the Superintendent's report were accepted by Council.

A.R.P.A. CONFERENCE

Mr. Armstrong informed the Council that the Fall Conference of the Alberta Recreation & Park Assoc. is to be held in Red Deer on October 24th, 25th and 26th.

It was moved that anyone from the Recreation Council who would like to attend be authorized to do so.

INDIAN AGREEMENT

Mr. Akins reported that Duffield Indians are ready to enter the agreement. A date for signing the agreement with the Paul Band Council and the Regional Recreation Council is to be set after the next meeting. The Enoch Band is also ready to join the Recreation Agreement.

Mr. Armstrong requested direction of Council concerning the rates charged for rental of school facilities.

It was moved and carried that the Recreation Council recommend that the School Committee be approached, to amend the fee schedule of the School Use Policy to conform to the same rates as allowed locally organized school age youth groups operating on a continual basis, that is half the regular rate; to Parkland Regional Recreation Council-sponsored programs.

Mr. Armstrong outlined a plan whereby a large portion of the costs of transporting program-participants by bus, can be recovered through the School Foundation program.

Mr. Armstrong informed Council that he and Mrs. Holgersen have been requested to speak at the Workshop conducted by the Department of Indian Affairs, October 15th.

It was moved and carried that Mr. Armstrong and Mrs. Holgersen be authorized to attend the Workshop - Indian Recreation Directors, to be held at Banff, October 15th.

AREA REPRESENTATIVE DEPARTMENT OF YOUTH

On behalf of the Council, Mr. Miller welcomed Mr. Al Holt, Area Consultant for the Department of Youth to the meeting. Mr. Holt offered the Council any assistance he could provide. He spoke briefly on a cultural development plan to be evolved in this region, at Provincial Government expense.

Mr. Miller requested that Mr. Holt inquire as to the possibilities of reimbursement by the Department of Youth for consulting services regarding the setting up of new administrations in other area. Mr. Holt agreed to see what could be done about this matter.

Mrs. Lene Holgersen presented her report on proposed fall and winter programs. Training sessions will be held at the Recreation Centre for instruction in Keep-Fit, Dressmaking, Leathercraft, Ceramics, etc. Classes will run for a ten-week period. Minimum registrations will be met or classes will be cancelled. She reported also on a training program setup for school teachers who will be teaching creative arts and crafts in the schools.

LEADERSHIP COURSE DEPT. OF YOUTH

Mr. Armstrong, for Mr. Park the Youth Rep; reported on further plans for a Leadership Seminar to be conducted in December in this area for young leaders from the Parkland and other areas.

Mrs. Cross presented to Council a financial report, complied to September 15th, 1969. Balances were reported on all programs, and a request made concerning the installation costs connected with the pool facility.

It was moved and carried that installation costs of the portable pool be authorized to be paid by the Recreation Council.

It was agreed to table the examination and ratification of the new Agreement and Regulations until the next meeting.

Some discussion took place concerning the procedure to be followed when paying accounts.

It was moved and carried that the Recreation Council Chairman initial accounts.

The next regularly scheduled meeting of the Recreation Council will be held October 20th at the Parkland Regional Recreation Centre in Stony Plain.

YOUTH AND FIRE PREVENTION

We often hear it said that in Canada we adults do not take fire destruction seriously enough. Consequently, we have one of the worst fire loss records of any country in the world. Granted some of us realize that the direct and indirect cost of fire adds materially to the cost of living but we cannot be satisfied that this must always be so.

The question is will the young people today follow along traditional lines or will they find some better way to control fire destruction? Will their generation be able to avoid the penalties of cigarette smoking which now is our number one fire hazard? Will youth demand safer consumer goods such as flame resistant clothing, upholstery, rugs and draperies? Will they insist upon building materials and design that will guarantee both safe and beautiful structures? How long will idealistic well informed youth submit to the uncertainty and fear of sudden loss by fire?

Fire prevention means just what the words imply. It should mean more than just holding the line year by year. There is a big challenge to youth today! Youth will strive to re-shape society. Let's hope that a new and better adjusted society will provide more positive control of fire.

WarbleFly Situation in Alberta Cause Loss to Farmers

Warble control treatment does not cost - it pays!

The Alberta Department of Agriculture's livestock specialist J. L. Kems reports that a grub survey carried out by the Meat Packers Council of Canada in 1968 showed that the over-all loss to the packing industry in this province from warble damaged market cattle is over $400,000. Trim losses vary from $2 for carcasses with one to five grubs to as high as $10 for those containing 11 or more grubs. In addition to trim losses, entire carcasses may be devalued, and hide prices are markedly reduced when the hides contain warble holes.

According to Mr. Kems, cattle producer losses from warble damage are generally believed to be higher than packer losses. Experiments in Alberta feedlots suggest that feeder cattle which have been treated for grub control gain up to half a pound per day more than grub infested animals which have not been treated.

In the survey of 270,000 cattle, carried out by the Meat Packers Council between January 15th and May 31st last year, the infestation percentages were as follows: Edmonton - Red Deer, 53%; Calgary, 44%; and Lethbridge, 25%.

Losses from gadding are also considerable in milking cows, says Mr. Kems. Many good dairy cows are lost because they injure their udders when running to escape heel flies.

To control warbles treat all cattle, except milking cows and calves under 300 pounds, between September 1st and December 1st. Pour-on and spray treatments are effective against both grubs and lice. Milking cows can be treated with back washes in the spring.

MOON LAKE NEWS

Mr. and Mrs. Ralph Tufty motored to Drumheller last weekend to visit with their daughter Edna and family. While there they motored on to Montana to visit with Ralph's two nieces and a nephew. Edna and Svend accompanied them on the trip and then they stopped at Butte, Montana and at Billings. They said they had a very nice trip and that it is real dry out there.

Mr. and Mrs. Otto Hansen and Mr. and Mrs. George Moroz motored to Edmonton on Saturday evening to attend the 50th wedding anniversary of Mr. and Mrs. William Malka.

The Moon Lake 4-H Beef Club will hold a banquet and dance on Friday, October 10th in the Moon Lake Hall. Supper starts at 6 p.m. Admission is $1.50 per plate, children under 12 is 75¢. There will be two guest speakers. Everyone try to attend and enjoy a nice evening.

Anyone having any news for this column, please phone Mrs. Hansen at 727-2262.

Nursing Aides Hold Meeting

Doreen Picket and Agnes Manning attended the Canadian Nursing Aide convention on September 17th, 18th and 19th in the Trade Winds Hotel in Calgary.

At the last meeting a discussion was held for an education month in April. The club has decided to hold a Christmas party on December 29th.

Colleen Swartz will be attending the Emergency Measures Organization meeting in Edmonton on October 6th, 7th, 8th and 9th.

Members welcome Marie Cornelson a new nursing aide , and her husband to Drayton Valley. Marie worked at Brooks before coming to Drayton Valley.

Next meeting will be on October 2nd at Doreen Picket's. Lois Landsiedal will be hostess.

Junior Choral Workshop

With the co-operation of the Music Division of the Cultural Development Branch of the Province of Alberta, the first Provincial Junior Choral Workshop will be held in the Robertson United Church, 102 Avenue and 123 Street, Edmonton, on October 18th starting 9:00 a.m. and on October 19th starting in the afternoon, with an evening concert at 7:30 p.m.

The workshop is designed to give all choir directors and choristers stimulations through new ideas on choir rehearsals, anthems, conducting techniques, recent trends in church music, including the use of instruments, voice production for children, discussion and demonstration of children's choirs.

School Committee Regular Meeting

Meeting of the School Committee of the County of Parkland No. 31 held in the County Office on Tuesday, September 16th.

Present were Messrs. R.A. Bailey, Peter Bakker, L.N. Miller, R. Lent, George Mann, Ivan Vowk, W. Barth, Don Gylander, T.W. Johnson, School Committee Members, also Mr. Henry Toews, Superintendent of Schools, Mr. W. G. Boychuk, Assistant Secretary Treasurer.

SUPERINTENDENT'S REPORT

Mr. Henry Toews reported that Mrs. Marilyn J. Wichuk has been hired to teach a grade 1 class in Seba Beach.

It was moved and carried that the appointment of Mrs. Marilyn J. Wichuk to the staff of the Seba Beach School be approved.

Mr. Towes further advised that Mr. W.G. Wilson, Mr. Neil McDowell, together with himself have been visiting schools and holding staff meetings.

It was moved and carried that Mr. Henry Toews' recommendation to grant Miss Jean Milner a $1200 bursary in Physical Education, be accepted.

Mr. Towes also mentioned that an architect by the name of Mr. John S. Graham has offered his services to the School Committee.

It was moved and carried that the offer of Mr. John S. Graham as Architect be tabled.

APPOINTMENT OF ARCHITECTS DRAYTON VALLEY

It was moved and carried that Wood & Gardner be appointed as Architects for the proposed Drayton Valley project.

Mr. W.G. Wilson reported on the proposed Adult Education classes. To date 17 applicants have expressed interest in such classes. This matter was discussed at great length and referred back to Mr. Wilson for attention.

It was mentioned to the School Committee that a conference on Educational Administration is to be held in Banff on October 8th to 10th inclusive.

It was moved and carried that Mr. W.G. Wilson be authorized to attend the conference on Educational Administration in Banff in October with expenses paid at the usual County rates.

SCHOOL ACCIDENTS

The following letter was received from one of the local doctors suggesting procedure to be followed in case of accidents at the schools:-

"There are occasions when students recieve accidental injury or require urgent medical attention from some other cause, during the normal school day. Often there is confusion as to what procedure should be taken in order that the individual receive prompt professional treatment.

In order to prevent delay, I would suggest that the schools establish a policy in regards to this type of emergency. Once it has been established that the injured requires more than minor first-aid that can be administered at the school, the following will assure the student of prompt medical attention.

(a) Have a member of the school staff telephone the doctor of their choice and advise him of the type of injury.

(b) Give a rough estimation of the travelling time to the treatment centre.

(c) Take the injured person directly to the medical clinic and NOT to the hospital unless advised to do so. Doctors are not in attendance at the hospital during school hours.

This should eliminate any delay and confusion as a result of improper delivery of the injured."

M.C. Ringham, M.D.
Stony Plain.

Mr. Toews further suggested that in case of an accident at school, the parent of the injured child be contacted immediately if at all possible.

It was moved and carried that the procedure outlined in Dr. M.C. Ringham's letter together with the suggestion of Mr. Henry Toews be incorporated into policy.

It was moved and carried that Mr. Peter Bakker, Mr. L.N. Miller and Mr. W. Barth be authorized to consider applications for the position of cook at the Memorial High School.

INTERVIEW WITH SCHOOL COMMITTEE

Mr. Barney Springman came to see the School Committee to request permission for his grandson to ride on Henry Schlecker's school bus to come to kindergarten in Stony Plain. It was explained to him that, firstly all school buses are overcrowded and secondly, it is not the policy of the school committee to provide school bus transportation to kindergarten.

It was moved and carried that, when room is available

Frosh Day at Frank Maddock High School

Led by the town police car, members of the "69 Frosh" are shown parading through downtown Drayton Valley Friday afternoon. Initiation of the new high school members included a Kangaroo Court and ended with a successful dance in the high school auditorium.

HOW FIRE-SAFE IS YOUR HOME?

Last year Canadians ran up a staggering fire loss of over 158 million dollars. Terrible as this property loss is, the waste of human life is even worse. Over 648 Canadians died in 1968 as a result of fire!

Three-quarters of all fires happen in the home. Be on guard all the time!

on a school bus, the operator be authorized to pick up children within town limits and that preference be given to the younger children.

It was moved and carried that the School Bus Committee together with the School Committee Chairman be authorized to consider and award applications for the new bus routes in Drayton Valley and Spruce Grove.

Mr. Ernest Williams came on behalf of the Duffield Square Dancing Club to ask permission to use the Duffield school gymnasium. The club has used the Duffield Hall but because the furnace is not working they cannot continue there. The Duffield Community has also increased its rates to $25 per evening.

It was moved and carried that the request of the Duffield Square Dancing Club to use the Duffield School Gymnasium be referred to Mr. R. Lent and the Principal to approach the hall committee regarding their rate and to make a decision.

ACCIDENT INTERVIEW

Mr. Tom Coyes, School bus operator, came to see the School Committee regarding his bus accident on Thursday, September 4th.

The accident happened on a district road 1 mile west of 5th meridian and 3 3/4 miles north of Highway 16 when it was raining. He was passing Truman's bus when part of the shoulder of the road collapsed. The bus slid into the ditch and overturned. There were 12 children on the school bus at the time but none of them were hurt. This matter was discussed at some length and Mr. Coyes was advised that all school bus accidents must be reported to the office immediately.

It was moved and carried that the sum of $2,571.60 be paid to the Town of Drayton Valley for the option from Mr. Lyle Beckett of Drayton Valley for approximately 21.43 acres of land for a school site, more particularly described as part of the NW 1/4 of Section 9-49-7-W.5, and that the matter be referred to the County solicitor for the proper transfer of option.

A letter was received from the Village of Spruce Grove advising that that rent on the Village Office will be $200 per month and the Village will pay the rent on the room used for the library.

It was moved and carried that the County pay the sum of $200 per month rental for the Spruce Grove Village Office to be used for classroom purposes.

A.S.T.A. ANNUAL CONVENTION

The School Committee was advised that the annual A.S.T.A. Convention is to be held in the Chateau Lacombe in November with remuneration at the usual County rates.

It was moved that the Chairman and Vice-Chairman carry 3 ballot votes each at the annual A.S.T.A. Convention in November.

It was moved and carried that the insurance on the Lodgepole School be incorporated with the rest of the County Insurance.

Mr. E.W. Hillyer reported that 1 more portable school has already arrived in Spruce Grove and 2 more are coming tomorrow. He further advised that, upon checking, it was found that there is a considerable amount of water under the Frank Maddock High School but there is no trace of decay on the floor.

It was moved and carried that Mr. E.W. Hillyer's salary as Maintenance Supervisor be reviewed.

It was moved and carried that the quotation of A & M Plumbing in the amount of $658.20 for the gas and water hook-up for the science room in the Drayton Valley Junior High School be accepted.

Mr. L.W. Kruger requested additional secretarial assistance at the school. At the present time he has one full time and one half time secretary. In addition to this he had 3 weeks secretarial assistance in August and 113 hours in September to distribute books. Mrs. Irene Mayer has been working full time since the beginning of the school term.

PRESENTATION HONORS AWARDS

It was moved and carried that the School Committee member concerned, together with the principal of the school concerned arrange for the presentation of honors awards in departmental examinations.

FACTS ABOUT MEAT - I have just received the newsletter for the Alberta Provincial Consumers' Association. Included in it are some facts about meat which I thought you might find interesting.

Not more than 30% fat is allowed in hamburger or ground beef. Where the minced beef is represented as being 'lean' maximum allowable fat is 15% by Federal Regulations. If the consumer is fairly sure there is too much fat in the hamburger she should notify the Food and Drug Inspector in Edmonton.

What do wieners contain? They may contain by standard, defatted beef or pork, fatty tissue, dried skim milk product, salt and spices.

Garlic sausages may contain preserved meat by-products to be cooked or uncooked meat that is salted, pickled, corned, cured or smoked and may contain a preservative, dextrose, glucose, sugar, spices and seasonings (except tomato), vinegar, alcohol and to be labelled if smoked.

Luncheon meats may be of cooked, fresh or preserved meat pressed into shape and may contain dried skim milk products, filler, meat binder, salt, sugar, dextrose, glucose, spices, milk, eggs and a gelling agent.

4% filler may be used in sausages.

Ever wonder why most turkeys available are 'frozen', never 'fresh'? Due to the high volume of sales through the year, frozen is the easiest means of storage. On the whole, frozen birds are fresher when thawed than one that is hanging in the butcher shop.

What can the consumer expect when she buys a 'utility grade' turkey? The bird will likely be as tender as a "Grade A" bird but could have a piece cut out due to a bruise, torn skin and it may have more pin feathers than a 'Grade A' bird.

I have several interesting pamphlets on various ways of preparing meats. Some you may be interested in are 'Beef and Beef Dishes', 'Cooking Canada's Turkey', Cooking Canada's Chicken'. Contact my office if you are interested in obtaining a copy.

Start New Season

The new season got off with a 'bang', Monday, September 22nd with most leagues bowling. The remainder will start this week.

All junior bowlers will register this coming Saturday, October 4th at the lanes with the exception of the seniors who registered at the school; look for the poster on your bulletin board.

Any assistance with the junior leagues would be much appreciated.

Fallis Club Names Officers

The first meeting of the Fallis 4-H Food Club for the new season was held on September 16th at 8:00 p.m. at the Fallis Community Hall. Last year's president Wendy Gunther opened the meeting with O'Canada and the 4-H pledge.

The first thing on the agenda was the election of new officers. Pat Orchison, president; Dianne Yakimovich, vice-president; Elaine Buchanan, secretary; Penny McCulloch, treasurer. Susan Gunther and Debbie McMillan are the reporters. Mrs. Bernadette Yates is leader and Mrs. Marjorie Buchanan is assistant leader. Pat Orchison and Penny McCulloch are junior leaders.

The other members are Wendy Gunther, Linda Berey, Darlene Yates, Darlene Jones, Judy Cooper, Carol Grande, Sherry Campbell, Gina Diesing, Annette Gunther, Margaret McMillan and Joan Triska.

The next meeting is on Monday, October 6th at 7:30 p.m.

Brownies Enjoy Hobo Outing

Members of the Drayton Valley Brownie Packs are shown here enjoying a Saturday meal of Hobo stew. A nature hike preceeded the noon meal at the Scout Hall and was followed by a scavenger hunt and games. Fifty-eight Brownies, dressed in hobo garb, took part in the day's activities accompanied by their leaders.

D. V. Highlights

BY MRS. EDITH DEBY

Dwayne and Valerie Swenseid have moved to Edmonton where Dwayne has began a two year course in Gas Technology at N.A.I.T.

We are concerned to hear that Mrs. Francois Beland formerly of Drayton Valley has had a serious operation.

Sympathy is extended to Mrs. J. Jones whose grandmother passed away recently.

Get well wishes go out to Mrs. Edward Bengtson who is in Drayton Valley Hospital.

Chester Miller is home again and is feeling better after an attack of pneumonia that put him in hospital for ten days.

The lights burned very late at the Leslie Tucker home last Monday night. Darlene had just returned from four months in Europe.

Mr. and Mrs. Daniel Doig of Winnipeg have just arrived to make their home in our town. Mr. Doig is the energetic sort and had three or four jobs lined up before he had been in town more than a few hours.

It is with regret that we learned that Mr. and Mrs. Clyde Brown are leaving to make their home in Vancouver.

Miss Brenda Johanneson is taking Secretarial Technology at N.A.I.T. this year. Brenda is hoping to finish the two year course in one year. She is rooming with Miss Claudette Demers who is studying Pharmacy at the U of A.

Mr. Ole Stordalsvoll is in University Hospital with a badly damaged hand, the result of a combine accident. Ole was helping his brother-in-law, Bill Holmes, with his harvesting. The Holmes live at Consort.

KEEPHILLS NEWS

Marilyn and Dennis Wagner returned from their honeymoon to various places in B.C. Saturday. While at Victoria, they visited Dennis's cousin Paul Wagner and his new bride of a month.

Brenda and Dave Moonen of Jasper, another pair of honeymooners, were visitiing in the district Sunday on their way to Jasper where they plan to make their home.

Roy and Ellen Raymond had guests from Edmonton on Sunday.

That old flu bug is still around even though it's not welcome. Several in the district have been quite ill and under doctor's care.

Mrs. Dalton's brother from Carstairs was visiting at the Dalton home last week.

Mrs. LeGrand is taking a 12-week extension course in nursing at the Royal Alex Hospital in Edmonton.

Mr. and Mrs. Bert Bryant have returned from B.C. to live in Edmonton after being away over a year.

Verna and Luke Sonnenberg and family have moved into their new home at Barrhead and are expecting Verna's mother and step-father from Manitoba to visit them for two weeks, the first part of October.

The first parent-teachers meeting of this season was held at the school September 23rd with a small turnout due to weather conditions.

Elva and Wayne Clark and Viola and Ken Porter left last Monday for a week's holiday in B.C.

THE WESTERN REVIEW

October 1st, 1969
Drayton Valley, Alberta

Mr. and Mrs. Harry McGinn formerly of Tomahawk and now living in Chilliwack. B.C. are at present visitng in the Drayton and Tomahawk district.

On Sunday, September 21st, Miss Trudy Schlichenmayer of Edmonton was feted at a pantry shower put on by Mrs. Connie Schlichenmayer of Tomahawk. Trudy is to be married on October 4th to Gary Manick. There were about 30 ladies present and a good time was had by all.

The Ladies Keep Fit Classes will commence October 7th at the Tomahawk School. There will be ten sessions and the admission for these classes is $5.00. The time is 7 to 8 in the evening so all you ladies who'd like to get better figures and also lose a few pounds, take note. Mrs. Evelyn Lukaniuk will be the instructress. There will be a Basic Sewing Class held on the same night from 8 to 10 with Mrs. Gloria Jouan as the instructress. There will be 10 classes and the admission fee is also $5.00.

We were very sorry to hear that Mrs. Kate Reich (Evelyn Lukaniuk's mother) is in the General Hospital and undergoing surgery. Hope you'll soon be home again Kate and feeling better.

Best of luck to the following ladies, Mrs. Janina Crawford, Mrs. Marie Schoepp, Mrs. Wanda Zander and Mrs. Vicki Pezzot. These brave souls are taking driving lessons in Tomahawk for the next two weeks and can be seen practicing from 6 a.m. to 10 a.m.

Mr. Max Wiedemann of Tomahawk is now teaching Science in the William Aberhart High School in Calgary.

The Tomahawk F.W.U.A. held it's meeting at the home of Mrs. Janina Crawford on September 24th. Election of officers took place and are as follows: Mrs. Velda Jouan Pres., Mrs. Olive Case Vice-Pres., and Mrs. Marian Jouan Secretary. The Buying Committee elected was Mrs. Jane Zander, Mrs. Bonnie Jabs and Mrs. Dorothy Wedman. Mrs. Hilda Zander, Mrs. Greta Pryor and Mrs. Lydia Reich are in charge of planning the programs, while Mrs. Joan Redinger was appointed to take care of all welcome, sick and get well cards.

Mr. Bill Wiedemann, son of Mr. and Mrs. Ulrich Wiedemann of Tomahawk, who has been in the University Hospital in Edmonton for 3 weeks, is now home and back to work.

We were worry to hear that Edwin Hallet and Craig his brother are very ill in the University Hospital. Our deepest sympathy is extended to Tom and Lyn and trust that the boys will soon be better.

Mrs. Grace Molzon and her daughter Nicki, accompanied by Mr. and Mrs. Frank Hallet, have just returned from a trip to Grande Prairie and Dawson Creek where they visited their friends and relatives.

The editor of a large New York Publishing house returned one weighty manuscript with the comment: "I'm returning this paper, someone wrote on it."

THANK YOU

In appreciation of the Drayton Valley Municipal Hospital, I would like to thank Dr. Lewis and Dr. Belcher, Mrs. Daviduk, Mrs. Palmer, Mrs. Davies, Mrs. Kynoch, Mrs. Church, all the staff and my friends and neighbours for your thoughtfullness and acts of kindness.

Miss Mary B. Smith
Entwistle, Alberta c

We wish to express our sincere thanks to everyone in Drayton Valley for their kindness when we left the town. Special thanks to the Legion and Ladies Auxiliary; the Dowell and ex-Dowell couples; the group at the curling club; the girls from Block 44 and many other friends.

Thank you for the beautiful memories of Drayton Valley.

Leona and Dick
Reisterer. c

"Is your water supply healthy?"
"Certainly is; we use only well water."

The bride was fretting during the last frantic moments of preparations.

"Mother everything has to be just perfect", she cried. "We mustn't overlook the most insignificant thing".

"Don't worry, darling," soothed mama. "He'll show up".

Warble and Louse Control

A more effective louse control is the greatest bonus obtained from treating cattle in September or early October for warble control.

Louse populations on cattle treated during these months with systemic insecticides are often reduced to the point where no further treatment is necessary during the winter. However lice frequency make a come back when animals are not treated until November, the last month in which it is safe to use these systemics.

Both CO-Ral and Reulene sprays provide excellent grub control when applied with a high pressure sprayer. The pour-on systemics such as Neguvon and Reulene are useful on stock-farms, where spraying is not practical.

Again this season, CO-Ral and Neguvon is available at the County Office in Stony Plain.

There is no need to dirty a pan to melt baking chocolate. Wrap the needed squares in foil and put them in a pan on low heat. When melted open the foil, scrape out the chocolate and throw away the wrapper.
